## 70mm & 110mm Flat Cap for PET Jars

### Description

## 70mm & 110mm Flat Cap for PET Jars

These lids make it easy to colour code your jars; you don't just have to store sweets in them. Polypropylene, smooth, shiny high quality lids.

### Available in 6 standard colours:

- Red
- Black
- White
- Green
- Blue
- Yellow

### Premium colours include:

- Purple
- Silver
- Orange
- Brown

These screw top caps are great for brightening up our range of PET jars, helping to add to the individuality of your product.

110mm also available with IHS lining, in Black, White or Silver. Induction Heat Seal caps offer a tamper evident foil seal on top of the jar, following an induction process after packing.

*A rainbow of alternative 'non standard' colours are also available on request, however these may be subject to minimum order quantities and higher pricing to cover the cost of colourants. We are also able to offer the 110mm Ribbed Closure with E.P.E. (Expanded Poly Ethylene) wads, alternative colours are also available in this closure, however, these may be subject to minimum order quantities and higher pricing to cover the cost of colourants.*
