

PET Jar – 2434 ml

Description

Benefits of PET Containers

- Exceptional levels of transparency – ensuring the product inside the jar can be seen by consumers in high definition
- Superior strength and quality, with excellent impact resistance to minimise damage in use/transportation
- Our injection moulding system creates a neck finish with a smoother and more consistent neck profile, which eliminates any sharp edges

Further information:

- Standard Range colours for the 70mm caps include the: Red, Blue, Black, White, Green and Yellow.
- Victorian style – Available only in clear with a screw top thread to fit all jars with a 70mm or 110mm Neck. The cap offers additional style and shelf appeal to all products.
