

PET Jar – 425 ml

Description

Benefits of PET Containers

- Manufactured in Food Grade Materials
- Exceptional levels of transparency – ensuring that the product inside the jar can be seen by consumers in high definition
- Superior strength and quality with excellent impact resistance to minimise damage in use/transportation
- Our injection moulding system creates a finish with a smoother and more consistent neck profile, eliminating any sharp edges

Further information:

- Standard Range colours for both the 110mm and 70mm caps include the following colours, Red, Blue, Black, White, Green and Yellow

Date Created

January 1, 1970
