

## PET Jar – 750ml

### Description

#### Benefits of PET Containers

- Manufactured in Food Grade Materials
- The material we use has exceptional levels of transparency which ensures that the product inside the jar can be seen by consumers in high definition
- Superior strength and quality with excellent impact resistance to minimise damage in use / transportation
- Our injection moulding system creates a neck finish with a smoother and more consistent neck profile, which eliminates any sharp edges

#### Further information:

- Standard Range colours for both the 110mm and 70mm caps include the following colours, Red, Blue, Black, White, Green and Yellow.
- Victorian style – Available only in clear with a screw top thread to fit all jars with a 70mm or 110mm Neck.
