Product Specification Sheet

Product Category: PET Jars
Product Code: **GB0750M001**

750ml Clear PET Jar

GB0750M001

An extremely versatile jar, ideal for confectionery, nuts, foods and health products. Being made from Clear PET plastic food grade material makes these containers a alternative to glass and work well for packaging gifts.

- Manufactured in Food Grade materials
- The material used has exceptional levels of transparency which ensures that the product inside the jar can be seen by consumers in high definition.
- Superior strength and quality with excellent impact resistance.
